#### **Question 1 of 2 as posed:**

##### **Question #1**

Can the tender form for all greenstone jobs be emailed in, if so to what address?

##### **Answer #1**

No, tenders must be submitted as outlined in the Tender Instructions section of the tender. Contractors bidding on multiple tenders must submit bids in separate envelopes for each tender.

##### **Question #2**

I do not see any reference to OIRCA or CRCA members in specification which allows anyone to bid on the roofing work, not just qualified roofers in Ontario or Canada.

##### **Answer #2**

Adherence to the engineering specifications is mandatory. Any changes will be communicated in an addendum approved by the engineering project manager (Fishburn Sheridan & Associates Ltd).
