Question 1 of 1 as posed:

Question #1

Today is the deadline for questions. Can we get this extended?

During the site visit, we were told that the brick/block work will be much more extensive than the three rows shown on the drawings.

Our bricklayer may have questions he would like to ask, depending on the format and extent of this change to the project.

Answer #1

The question deadline has been extended to noon at Friday, April 5, 2019.

NOTE: Addendum #3 is being prepared.
