Boil Water Advisory Notice

Due to maintenance being conducted on the water treatment system the safety of the water cannot be guaranteed. For this reason all water used for human consumption should be heated to a rolling boil for at least one minute.

This Boil Water Advisory will remain in effect until the Thunder Bay District Health Unit and the Ministry of Environment are satisfied that the water supplied for human consumption is safe.

For further information, please contact a Public Health Inspector at (807) 625-5930/5926. After hours, call Nurses Registry at (807) 623-7451 and ask for the Public Health Inspector on call.

Yours truly,
