**RE:** Review of Proposed Terms of Reference for the Municipality of Greenstone  
Municipal Solid Waste Disposal Plan EA  
EA FILE NO. 03-08-02

---

The Municipality of Greenstone (Municipality) is submitting an environmental assessment (EA) Terms of Reference (ToR) to the Minister of the Environment for approval. The undertaking involves the long-term planning (20-30 years) for the disposal of the Municipality's solid waste, and the ToR sets out how the Municipality will assess the potential impacts associated with the long-term waste management plan.

The proponent is publishing Notice of the Submission of the ToR in the Times Star on November 13 and November 20, 2013. The formal submission date is November 13, 2013. As is customary with EA-related documents, the ToR is made available at several locations for public viewing.

Please make the enclosed document available for public review upon request from November 13, 2013 to December 13, 2013—this period is the comment period on the ToR. Please make the draft newspaper ad available with the document.

The enclosed documents are:

1. Proposed Terms of Reference for the Municipality of Greenstone Municipal Solid Waste Disposal Plan EA; and,
2. Notice of Submission/Newspaper Ad

Thank you for your assistance in this matter.
