

# Paddling and Bugs Kayak Camp

This year's Paddling and Bugs Kayak Camp presented by Ron Miron at Margo Lake was another great success! Beautiful weather, great food, great company, and a lot of fun!

This one weekend Kayaking camp includes free camping, tons of food, and kayaking lessons for beginners and experienced paddlers for just \$100! Not interested in lessons? You can still come out to enjoy great company, great camping, delicious food, and paddle the beautiful turquoise waters of Margo Lake and Lukinto Lake.

If you are interested in taking part in this kayaking camp in upcoming years please contact Ron Miron at
