

THE CORPORATION OF THE
MUNICIPALITY OF GREENSTONE

POLICY MANUAL

SECTION: PUBLIC SERVICES

SUBJECT: Waste Management

DATE: March 13, 2017

AUTHORIZATION: 17-43

Purpose

To provide procedural guidelines for municipal waste management operations.

Policy Statement

The Municipality will provide a sustainable and cost-effective waste management program for waste generated within Greenstone.

Guidelines

All access to the municipal landfills must be under the supervision of the landfill attendant. The deposit of waste is subject to municipal user fees and/or agreements.

In addition to managing waste in accordance with By-law 09-48, the Municipality participates in the following waste diversion programs regulated under the Waste-Free Ontario Act, 2016:

- Used Tire Program
- Used Electrical and Electronic Equipment Program
- Municipal Hazardous or Special Waste Program
