SNOW WINDROW REMOVAL PROGRAM

TERMS & CONDITIONS

- Due to varying storm conditions and operational priorities outlined in the municipal Snow & Ice Management Policy, the target for windrow removal service is within 48 hours of a snowfall.
- The Municipality reserves the right as to when snow removal activity is performed.
- The above service does not include the cleaning of snow from private approaches to residences or driveways.
- Service may be cancelled in instances where regular snow removal maintenance for a driveway is not occurring.
- Obstructions at the driveway entrance must be removed.
- The Municipality is not liable for any damage to property as a result of service delivery.
- House numbers must be visible.
- One entrance will be serviced per registrant. The centre portion (one car width) of an entrance will be cleared.
- The service applies to primary residences only.
- The service term is from January to December.
- Annual registration is required.

Personal information on this form is collected under the authority of the Municipal Act, 2001 and will be used for the purpose of administering the Snow Windrow Removal Program. Questions about the collection of information should be directed to the Municipal Clerk at the Administration Office.
